Dear Ms Foot and all the team at Southern Cross Cable Network

It is my privilege to write personally to thank you for your wonderful donation of \$28,828.40 to Save the Children New Zealand's work in Fiji, in lieu of 2006 Christmas gifts to your clients. Our official receipt is enclosed.

Your special generosity will make a real and lasting difference to many children, their families and communities.

Your donation will support our Mobile Playgroup Project in Fiji for a full three months. This project provides pre-school facilities for children in squatter settlements, supplies books and toys, and trains local volunteers to run the pre-schools.

Children involved in these playgroups have better health and are more confident. They are able to make friends and learn the skills needed to attend primary school. And through the preschool mothers' group, their mothers learn skills that will help them to increase their income and to better look after their families. This project is giving whole communities hope for a brighter future.

You will receive a report from the Mobile Playgroup Project in April, after the three month period has been completed. For your information, we will also send you regular newsletters from our South Pacific programme, which covers all our projects across the region including Fiji and Papua New Guinea. The latest of these is enclosed.

Once again, thank you very much for your very generous support.

Yours sincerely,

John Bowis
Executive Director
